THE BASIS OF  
EVERYTHING

ETON'S

**STONE LIBRARY**

# OUR PRODUCTS

We look after marble from extraction to processing up to finishing and delivery. We aim to achieve the best quality with the best price. We select a wide range of materials: marble, limestone, granite, travertine, semi-precious stones, agglomerated, quartz supplied in both rough or finished blocks, slabs and tiles.

INTUITION IS  
THE BASIS OF  
EVERYTHING

## ETON'S

Intuition is the basis of everything!  
A natural instinct, strengthened by our  
**consolidated experience.**  
Being able to **see beyond the rough  
material** to find its perfect aesthetical  
and functional placement.  
This is what we do at ETON'S  
each and every single day.

We cooperate with architects, engineers  
and clients, to always find the most  
suitable material for a specific project  
starting from the quarry up to door to  
door worldwide delivery.  
**Marble, Granite, Travertine...**  
to name only few of the materials we are  
constantly dealing with!

Entrust Eton's your new **marble italian**  
project taking advantage of high qualified  
selection, **top service** and affordable  
pricing, ensuring a great project result!
